

FINANCIAL CONTRIBUTION

BENEFITING THE IOWA FRIENDS OF FOSTER CHILDREN FOUNDATION

The thrill of having senior pictures taken or the chance of going to summer camp should not be erased once a child or teen is in foster care. The Iowa Friends of Foster Children Foundation's intent is to provide "quality of life" opportunities to children in Iowa's foster care system – items the children and their foster families cannot afford to cover or purchase. The organization has an all-volunteer board with no paid staff members, so all funds received go directly towards the foster children grants.

- _____ \$10
- _____ \$25
